PRESS RELEASE

December 5, 2008

In this extraordinary economic environment that the country is facing, MDR will continue to offer off-road racers the opportunity to race an outstanding race series at entry fees that have not increased since the start of the MDR series in 1996.

**In 2009 once again the MDR entry fee is -
\$360 total for the Pro Classes
and
\$200 total for the Sportsman Classes.**

Race teams can reserve your race vehicle numbers now for the 2009 season, as always there is no additional charge to reserve your car number for the season.

There are no membership fees or co-driver fees at the MDR races.

MDR has increased the number of events for the 2009 season.

MDR invites all Teams to race with a series that has the off-road experience and financial background to continue the tradition of producing affordable, professional local off-road racing in California.

Good luck to all race teams in 2009.
