

February 14, 2009

UPR.com sign's up to support the 2009 MDR McMillin Superstition Series.

For the 2009 MDR McMillin Superstition Series, UPR.com has signed to be a Road Crossing sponsor for the whole 2009 McMillin Superstition Series. UPR.com's first time sponsoring an event in Plaster City was the 2008 New Years Eve Best of the Best 5/1600 Shootout. With the success of the 5/1600 Shootout, UPR.com has chosen to continue to find new ways to support desert racing in Plaster City. At the UPR.com Road Crossing you will see two UPR.com banners placed at the front of the Road Crossing where the race official's will be controlling traffic. The money that these Road Crossings and Check Points bring to MDR will go to help fund the Volunteer program that is been put in place for 2009. Between the Check Points and Road Crossing sponsors and the 50/50 raffle that has become a tradition at the MDR Drawing Parties, MDR should have more to offer the volunteers that help support the 2009 season.
