Re: *M D R RACING 2010 RACE SERIES*

We would like to take this opportunity to introduce you to ***M D R RACING*** a Southern California Corporation providing an exciting, rewarding and safe environment for off-road racing in four locations: Barstow, Lucerne Valley, Ridgecrest and Plaster City. Enrolling in the ***M D R RACING*** contingency program provides a sensational opportunity to gain exceptional publicity for your organization. This is a unique opportunity to join other sponsors in a phenomenal series that offers excellent publicity.

The booth or display areas, as in the past, will be reserved for contingency sponsors at no cost. Display your product or service to a targeted and receptive audience. Also as a contingency sponsor your flyers and information can be inserted in the drivers packets. We actively invite contingencies for all classes and additionally for any level or class that you desire. You may choose the entrant qualifications for your particular sponsored level or class. In 2010 we do require that you assist ***M D R RACING*** in recognizing the many volunteers that make it possible to present our premier off-road series. Without these volunteers our series would not be possible.

Early responses to the ***M D R RACING*** 2010 season will feature larger races with a greater number of class entries. Along with this increase in entries we are attracting to our series an ever growing number of contingency sponsors. With your contribution to the drivers and the volunteers we will continue our policy to offer the opportunity for your company to participate in our contingency program at no charge. It is not required that you have a representative present on contingency row to participate in the MDR contingency program.

M D R RACING provides a proven opportunity to market your products. We look forward to your participation in this thrilling and prestigious racing series.

A SPECTACULAR OPPORTUNITY TO PROMOTE YOUR ORGANIZATION.

If you require additional information please do not hesitate to contact me.

Thank you
